This is to certify that **Ms. Muskan Rathore**, a student of **BCA (FSD) JECRC University, Jaipur** has completed her **Internship** at **Upflairs Pvt. Ltd.** from **10nd February to 10^h August, 2026** in the domain of **MERN Stack Development**.

During her internship, she demonstrated exceptional performance, strong technical skills, and excellent team collaboration. She consistently showed dedication, problem-solving ability, and a proactive approach towards assigned tasks.

During the internship, she worked on the project titled:

VaultScan – GitHub Repository Secret Detection System: Developed a full-stack web application using the MERN stack to scan GitHub repositories and identify exposed sensitive information such as API keys, passwords, and confidential files (e.g., .env files). The system helps prevent security risks by detecting accidental leaks in publicly accessible codebases.

Skills & Tools Applied:

- Full Stack Web Development (MERN Stack)
- Secure Coding Practices & Vulnerability Detection
- API Integration & Data Processing
- Problem Solving in Cybersecurity Context
- Version Control & Repository Analysis

Technologies Utilized:

- **MongoDB:** Database
- **Express.js:** Backend Framework
- **React.js:** Frontend Development
- **Node.js:** Server-side Runtime
- **GitHub API:** Repository Scanning & Data Access

We sincerely appreciate her dedication and valuable contributions during the internship period and extend our best wishes for her future career endeavours.
